

## **CURRICULUM VITAE**

**Diane K. King, PhD**

### **Current position:**

Research Associate Professor, Behavioral Scientist  
Director, Center for Behavioral Health Research and Services (CBHRS)  
Institute of Social and Economic Research  
University of Alaska Anchorage  
Social Sciences Building, Room 221A  
3211 Providence Drive  
Anchorage, AK 99508-4614

### **Academic History**

1981 State University of New York at Buffalo, BS, Suma cum Laude. Concentration: Business  
1983 State University of New York at Buffalo, MBA, Human Resources Management  
1998 Rush University, Chicago, IL, MS, Occupational Therapy  
2006 University of Colorado at Denver, PhD, Health and Behavioral Sciences

1997-1998 Level II Fieldwork, Rush Adult Psychiatry, Rush Presbyterian Saint Lukes Medical Center, Chicago, IL  
Level II Fieldwork, Outpatient Clinical Operating Group, Rehabilitation, Institute Of Chicago (RIC), Chicago, IL  
Special Project, Geriatric Interdisciplinary Team Training, Rush Alzheimer's Disease Center, RPSLMC, Chicago, IL

2010 Health Impact Assessment Training, January 2010, Denver, CO  
2010 Built Environment Assessment Training Institute, June 2010, Philadelphia, PA  
2012 State of Alaska FASD 101: Fetal Alcohol Spectrum Disorders Train-The Trainer, Anchorage, AK

### **Academic appointments**

2006-2011 Assistant Professor, Department of Family Medicine, University of Colorado Denver  
2011-2015 Research Assistant Professor, College of Arts and Sciences, University of Alaska Anchorage  
2015-2017 Research Assistant Professor, College of Business and Public Policy, University of Alaska Anchorage  
2017-present Research Associate Professor, College of Business and Public Policy, University of Alaska Anchorage

### **Board Certification**

1998 National Board for Certification in Occupational Therapy

### **Employment History**

1984-1987 Manager Human Resources, The Pillsbury Company, Minneapolis, MN  
1987-1994 Sr. Manager, Human Resources, Travel Division, American Express, NY, NY  
1994-1995 Sr. Manager Diversity, Travel Division, American Express, NY, NY  
1999-2002 Project Coordinator, Center for Behavioral and Community Studies; AMC Cancer Research Center, Denver, CO.  
2002-2010 Sr. Project Manager, Institute for Health Research, Kaiser-Permanente Colorado, Denver, CO  
2010-2011 Staff Researcher, Institute for Health Research, Kaiser Permanente Colorado, Denver, CO

- 2011-2017 Research Assistant Professor, Center for Behavioral Health Research & Services, University of Alaska Anchorage
- 2013-2015 Deputy Director of Research, Center for Behavioral Health Research & Services, University of Alaska Anchorage
- 2015-present Director, Center for Behavioral Health Research & Services, Institute of Social and Economic Research, University of Alaska Anchorage
- 2017-present Research Associate Professor, Center for Behavioral Health Research & Services, Institute of Social and Economic Research, University of Alaska Anchorage

**Honors and Awards:**

- 1998 The College of Health Sciences Dean's Award, Rush University
- 1998 The Department of Occupational Therapy Faculty Award, Rush University
- 2016 APEX Award for Publication Excellence. Category: One-of-a-Kind Publications, Education & training. *Mall Walking: A Program Resource Guide*. Belza, B, Allen P, Brown DR, Farren L, Janicek S, Jones DL, **King DK**, Marquez DX, Miyawaki CE, Rosenberg D. Seattle, WA: University of Washington Health Promotion Research Center, 2015.
- 2017 Accepted to the Training Institute in Dissemination and Implementation Research in Health (TIDIRH); supported by the National Institutes of Health and the U.S. Department of Veterans Affairs, August 14 – December 1, 2017

**Professional Affiliations**

- 1997-2006 American Occupational Therapy Association
- 1999-present Society Behavioral Medicine
- 2010 American Public Health Association
- 2011 Behavioral Research in Diabetes Group Exchange (BRIDGE)
- 2012-2015 Healthy Aging Research Network (HAN), Affiliate Member, CDC

**Public and Professional Service**

- 2004 Investigator Role Committee. KPCO, Clinical Research Unit.
- 2006-2007 Member, planning committee, Active Living Research Grantee Meeting held February 22, 2007, Coronado, CA.
- 2006-2011 Faculty. KPCO, Institute for Health Research
- 2007 Member, Policy and Procedures committee. KPCO, Institute for Health Research.
- 2008-present Doctoral Dissertation committee, Cristy R. Geno. University of Colorado Denver, Health and Behavioral Sciences Department (Anticipated Graduation Date is 2013).
- 2009 Member, search committee for Director of Research Operations and Director of Research Administration positions, KPCO, Institute for Health Research
- 2009-2011 Co-Chair, Community Benefit Initiatives Committee, KPCO, Institute for Health Research
- 2010 National Evaluation Advisory Committee. Kaiser Permanente.
- 2010 Co-chair, search committee for Behavioral Scientist position, KPCO, Institute for Health Research
- 2010-present Associate Editor, Translational Behavioral Medicine: Practice, Policy, and Research

- 2011–2014 Mentor for Andrew Faber, University of Colorado Denver, School of Medicine, in completion of his Mentored Scholarly Activity, Content Area: Public Health and Epidemiology.
- 2011-present Invited Member, Local Alaska Advisory Committee, “Children’s Healthy Living Program for Remote Underserved Minority Populations in the Pacific Region (CHIL)”, USDA, (Rachel Novotny and Andrea Bersamin, PIs)
- 2013 Chair, search committee for Director CBHRS/Psychology Department Faculty, UAA, Center for Behavioral Health Research and Services.
- 2013 Invited Member, State of Alaska Childhood Obesity Strategic Plan Advisory Group: Alaska Alliance for Health Kids.
- 2016 Member, search committee for Director, Institute of Social and Economic Research, UAA
- 2016-2017 Invited Member, Planning Steering Committee, LGBTQ Health Needs Assessment: Identity, Inc.
- 2016-2017 Invited Member, The Alaska tobacco Control Alliance (ATCA) Marijuana Policy Workgroup.
- 2016-2018 Invited Member, Quality Team, Alaska DHHS for 1115 Behavioral Health Waiver, Medicaid Expansion initiative.
- 2016-present Invited Member, Citizen Science Global Network, Stanford University. Funded by RWJF. Received travel support to participate in inaugural meeting at Stanford, November, 2016.

**Scientific Review Activities**

- 2005-present Abstract reviewer, Society of Behavioral Medicine, Annual Meeting and Scientific Sessions.
- 2006-2013 Chair, Translation of Research to Practice Tract, abstract reviews, Society of Behavioral Medicine Annual Meetings and Scientific Sessions.
- 2018 Abstract reviewer, 11th Annual Conference on the Science of Dissemination and Implementation

**Journals:**

- 2005-present Annals of Family Medicine
- 2006-present Journal of Aging and Physical Activity
- 2007 Patient Education and Counseling
- 2007-present Annals of Behavioral Medicine
- 2008-present American Journal of Public Health
- 2008 Health and Place
- 2010-present Translational Behavioral Medicine: Practice, Policy, and Research
- 2012-present American Journal of Preventive Medicine

**Research Proposals:**

- 2006 Research Council K.U.Leuven
- 2008 Active Living Research, *CFP Round 8*, Robert Wood Johnson Foundation
- 2008-2009 LiveWell Colorado
- 2011 Diabetes UK
- 2012 Medical Research Charity Group/Diabetes Federation of Ireland

**Invited Lectures and Presentations**

Glasgow, RE, Nutting, PA, **King, DK**, Williams, GC, Nelson, C, Gaglio, B, Amthauer, H, and Kulchak-Rahm, A. Variation in perceived competence and patient satisfaction: relationship to autonomy support from physicians. Paper presented at the American Diabetes Association 63rd Scientific Sessions, New Orleans, LA. 2003.

Glasgow, RE, **King D**, Nelson C. The diabetes priority program: results from a randomized effectiveness study to improve quality of care. Symposium presented at the Society of Behavioral Medicine's Twenty-Fifth Annual Meeting and Scientific Sessions, Baltimore, MD. 2004.

**King, DK**, Estabrooks, PA, Strycker, L, Toobert, D, Bull SS, Glasgow, RE. Outcomes of a multi-faceted physical activity regimen as part of a diabetes self-management intervention. Paper session presented at the 4th Annual Conference of the International Society of Behavioral Nutrition and Physical activity (ISBNPA), Amsterdam, The Netherlands. June, 2005.

**King, DK**. Older adult activity engagement and loneliness: Does Neighborhood Matter? KPCO, Clinical Research Unit, Noon Research Conference. March 16, 2006

**King, DK**, Dickinson, M, Estabrooks, P. Older adult physical activity and loneliness: Does Neighborhood Matter? Abstract accepted as a "Meritorious Student Presentation". Paper session presented at the Society of Behavioral Medicine's Twenty-Seventh Annual Meeting and Scientific Sessions, San Francisco, CA. March, 2006.

**King, DK**, Christiansen, S., Glasgow, RE. Using computer-assisted diabetes self-management in primary care: lessons from four projects. Paper session presented at the 2006 CDC Diabetes and Obesity Conference, Denver, CO. May, 2006.

**King, DK**. Mind Over Matter? Neighborhood Structural and perceptual Factors and their Relative Importance to Activity Engagement in Older Adults. Paper session presented at the Active Living Research Annual Conference, Coronado, CA. February, 2007.

From Clinic to Community: Unique Approaches to Weight Loss in Special Populations. Paper Session Chair (Invited). Society of Behavioral Medicine's 29th Annual Meeting and Scientific Sessions, San Diego, CA. March 27, 2008.

**King, DK** and Mason M. Crime and Social Environment. Concurrent Breakout Session, co-facilitator (invited), at the Active Living Research Grantee Meeting and Annual Conference, Washington, DC. April 2008.

**King, DK**, Hill, JL, Main, DS. Use of a community coalition to interpret contextual data: lessons from the Taking Neighborhood Health to Heart study. Abstract accepted as a "Citation Abstract", and delivered as a paper session at the Society of Behavioral Medicine's 30th Annual Meeting and Scientific Sessions, Montreal, Quebec, Canada. April, 2009.

**King, DK**, Leeman-Castillo, BA, Newcomer, SR. Evaluation Update. Colorado Physical Activity and Nutrition Quarterly LiveWell Colorado, Quarterly Grantee Conference. July 16, 2009.

**King, DK**, Toobert DJ, Strycker LA, Doty A, Almeida F, Glasgow RE. Recruiting and Retaining Latinas at High Risk for CHD in ¡Viva Bien!: A Multiple-Risk-Factor Diabetes Trial. Symposium presented at the Society of Behavioral Medicine's Thirty-First Annual Meeting and Scientific Sessions, Seattle, WA. April 8, 2010.

**King, DK**. Place Matters: building community environments to support lifelong physical activity. Invited presentation. American Physical Therapy Association, Section on Geriatrics. Exercise and Physical Activity in Aging Conference: Blending Research and Practice (ExPAAC). University of Indianapolis. July 31, 2010.

Sanders TJ, Leeman-Castillo, BA, **King DK**. Importance of Site Visits in Community Based Participatory Research: Lessons from LiveWell Colorado. American Public Health Association 138<sup>th</sup> Annual Meeting, November 9, 2010, Denver, CO.

**King, DK**. Designing, implementing and evaluating strategies to support healthy eating and active living in urban, suburban and rural communities, Lessons from LiveWell Colorado. Presented as part of a symposium titled: Growing healthier Communities: Multi-level, multi-sector 'recipes' for food systems change. American Public Health Association 138<sup>th</sup> Annual Meeting, November 9, 2010, Denver, CO.

Gaglio B., **King, DK**, Shoup J, Glasgow RE. RE-AIM Evaluation Framework: Balancing Internal and External Validity. Symposium: American Public Health Association 138<sup>th</sup> Annual Meeting, November 10, 2010, Denver, CO.

Glasgow RE, Gaglio B, **King DK**. History, Current Status, and Website Resources Related to the RE-AIM Framework. American Public Health Association 138<sup>th</sup> Annual Meeting, November 10, 2010, Denver, CO.

McQuillan DB, **King DK**, Leeman-Castillo BA, Ferro E. *Using RE-AIM to evaluate community-driven worksite wellness: Lessons from LiveWell Colorado*. Symposium: American Public Health Association 138<sup>th</sup> Annual Meeting, November 10, 2010, Denver, CO.

Bacon, S., Giroux, D. Jones, K.C., Dulin, P.L., Gonzalez, V.M., **King, D.K.** *Efficacy of Recruitment Strategies for Assessing a Self-Administered Smartphone-Based Treatment System for Alcohol Use Disorders*. University of Alaska Biomedical Research Conference, Fairbanks, AK. May, 21, 2012.

Romanik S, **King DK**, Zuniga R, Tanner R. *Integrating e-Health Interventions into Diabetes Care*. Panel presentation. Thirtieth Annual Alaska Public Health Summit, Anchorage, AK. January, 2013.

**King, DK.** *The Evidence for SBIRT: addressing alcohol misuse in primary care*. Invited presentation. Alaska Primary Care Association, 2013 Wellness Conference. September 10, 2013.

**King DK**, Hanson BL, Wood SM, Giedosh D. Using a Research - Practice Partnership to Accelerate Translation of Research to Practice. Panel Discussion. Thirty-first Annual Alaska Public Health Summit, Anchorage, AK. January, 2014.

**King, DK.** *Using a Research - Practice Partnership to Accelerate Translation of Research to Practice*. (Invited Key Note Address.) Biennial Alaska Public Health Nursing Conference. Anchorage, AK. April 17, 2014.

Farren L, Allen P, Belza B, Broliar S, Brown D, Cormier M, Janicek S, Jones DL, Kelly M, **King DK**, Marquez, DX, Rosenberg D, Thurston J, Tiffany R. Mall walking: Evaluating the evidence to create an Evidence-Informed Mall Walking Program Resource Guide. Round Table presentation. 142<sup>nd</sup> APHA Annual Meeting and Exposition. New Orleans, LA. November 2014.

Fitterling, J., Dewane, S., Cattrell, E., Edwards, A., Shercliffe, R., Eldridge, G., & **King, D.** *Clinical simulation and standardized patients for discipline-specific SBIRT training*. Paper presented at the Vancouver International Conference on the Teaching of Psychology, Vancouver, BC. July, 2015.

Porter, R. R., **King, D. K.**, Hanson, B. L., & Faulkner, S. A. Developing Alcohol SBI Policy and Procedures with Alaska Public Health Nursing. In R. R. Porter (Chair), *Implementing Alcohol Screening & Brief Intervention into Primary Care: Experiences among Three CDC-Funded Grantees*. Symposium at the 12th annual meeting of the International Network on Brief Interventions for Alcohol & Other Drugs (INEBRIA), Atlanta, GA. September 24, 2015.

Faulkner, S., **King, D. K.**, Porter, R., & Hanson, B. The Role of Change Facilitators in the Implementation of Alcohol SBI with Public Health Nurses. Paper presented at the 12<sup>th</sup> annual meeting of the International Network on Brief Interventions for Alcohol & Other Drugs (INEBRIA), Atlanta, GA. September 25, 2015.

McKnight-Eily, L.R., Porter, R.R., **King, D.K.**, Mitchell, A.M., Kane, I. (Invited Workshop for 3.0 CE Credits.) *Alcohol Screening and Brief Intervention: How to do it and how to implement it in your practice*. Workshop presented at the 18<sup>th</sup> Annual Nurse Practitioners in Women's Health Conference (NPWH), Salt Lak City, UT. October 17, 2015.

Rosenberg D.E., **King D.K.**, Allen P., Jones D., Marquez D.X., Brown D., Belza B. *Systematic observations to characterize users of walking programs*. Symposium accepted to the annual meeting for the Gerontological Society of America. Orlando, FL. November, 2015.

Miyawaki, C.E., Belza, B., Allen, P., Brown, D.R., Jones, D.L., **King, D.K.**, Marquez, D.X., *Building Community: Stakeholder Perspectives on Established Walking Programs in Community Venues*. Oral presentation accepted to the 20th Annual Conference Anniversary Celebration of the Society for Social Work and Research. Washington, DC. January 13-17, 2016.

Mitchell, A.M., Knapp, E., Puskar, K., Kameg, B., Lindsay, D., **King, D.**, Porter, R., Edwards, A., Hanson, B. and Shaputnic, C.. *The Nurse's Role in Alcohol Screening and Brief Intervention Amongst Women of Childbearing Age*. Oral presentation accepted to the IntNSA 40<sup>th</sup> Annual Educational Conference, Las Vegas, NV. October 5 – 8, 2016.

Hanson, B., **King, D.**, Faulkner, S., and Rebecca Porter, R.. *Working together to implement alcohol screening and brief intervention: Benefits of a public health nursing and academic research partnership*. Oral Presentation accepted to American Public Health Association Annual Meeting & Expo, Denver, CO. October 29 - Nov. 2, 2016.

Hanson, B., Porter, R., Faulkner, S. and **King, D.**. *Translating research evidence to practice: Alcohol screening rates as an indicator of implementation success*. Oral Presentation accepted to American Public Health Association Annual Meeting & Expo, Denver, CO. October 29 - Nov. 2, 2016.

Mitchell, A.M., Kane, I., **King, D.**, Kelsey, B., & Rawlins, S. (2016, December). *The CDC Implementation Guide on Alcohol Screening and Brief Intervention: What PHNs Should Know*. Presented on Webinar Hosted by the Association of Public Health Nurses (APHN). [National Webinar]

Mitchell, A.M., Kane, I., Puskar, K., **King, D.**, Porter, B., Hagle, H., & Lindsay, D. (2017, March). *Alcohol SBI: A Skill-building Workshop*. Presented at the International Society of Psychiatric-Mental Health Nurses' 19th Annual Conference: The Future of Mental Health Practice: Connect. Collaborate. Differentiate. [Workshop]

Rabin, B. (Moderator), Gaglio, B. (Panelist), **King, D.** (Panelist), Harden, S. (Panelist). Invited Panelist, RE-AIM Workgroup Webinar Series. "Reflections from the field: Re-AIMERS reflect on annual D&I meeting." January 25, 2018.

## Poster Presentations

Nutting, PA, Glasgow, RE, **King, DK**, Kulchak-Rahm, A, Amthauer, H, Gaglio, B, Nelson, C. Relationship between physician-reported use of chronic care strategies for diabetes care and mean hemoglobin-A1c of their patients. Poster presentation, American Diabetes Association 63rd Scientific Sessions, New Orleans, LA. 2003.

**King, DK**. Individual and Neighborhood Effects on active lifestyles in a sample of community-dwelling elderly: a socio-ecological study. Poster presentation, Active Living Research Annual Grantee Meeting. February 15, 2005. Coronado, CA.

**King, DK**, Nelson C. Evaluating the relationship of primary care practice leadership style, team dynamics, and values to successful study implementation, using the RE-AIM model as an evaluation tool. Poster presentation, 11th Annual HMO Research Network Conference, Santa Fe, NM. 2005.

**King, DK**. Individual and Neighborhood Effects on active lifestyles in a sample of community-dwelling elderly: a socio-ecological study (outcomes). Poster presentation, Active Living Research Annual Grantee Meeting. February 15, 2006. Coronado, CA.

Helander K, Wisneski, H, Gilchrist K, Grimm, C, Haxton, J, **King, DK**, Wright L. Building Partnerships to Translate the Naturally Occurring Retirement Community (NORC) Model to address Health and Social Service Gaps for the Gay, Lesbian, Bisexual and Transgender (GLBT) Senior Population. Poster presentation, imPACTing Health through Community/Academic Partnerships. February 23, 2010.

**King, DK**, Glasgow RE, Toobert DJ, Strycker LA, Estabrooks PA, Osuna D, Faber AJ. Do Baseline Psychosocial and Social Environmental Support Factors Predict Diabetes Self-Management Outcomes? Poster presentation, Society of Behavioral Medicine's Thirty-First Annual Meeting and Scientific Sessions, Seattle, WA. April 10, 2010.

**King DK**, Toobert DJ, Dickman Portz J, Strycker LA, Doty A, Martin C, Boggs JM, Faber AJ, Geno C, Glasgow RE. What patients want: relevant health information technology for diabetes self-management. Poster presentation, Society of Behavioral Medicine's Thirty-Third Annual Meeting and Scientific Sessions, New Orleans, LA. April 13, 2012.

Edwards AE, Cattrell EL, Porter RR, Hanson BL, & **King DK**. Educating Alaska's Healthcare Professionals: Outcomes from the Arctic FASD Regional Training Center. Poster presentation, Thirtieth Annual Alaska Public Health Summit, Anchorage, AK. January, 2013.

**King DK**, Le, Q, Litt J, Hale J, Burniece K, Nuanes HA, Hoerlein S. How a Community-Designed Park impacted the Physical Activity of its Refugee Users. Poster presentation, Society of Behavioral Medicine's Thirty-Fourth Annual Meeting and Scientific Sessions, San Francisco, CA. March, 2013.

Giroux D, Bacon S, **King DK**, Dulin P, Gonzalez V. "It really builds your confidence": Examining perceptions of the Location-Based Monitoring and Intervention System for Alcohol Use Disorders. Poster presentation, American Psychological Association, Honolulu, HI. July, 2013.

Hanson BL, Romanik SA, Porter RR, **King DK**. Implementing alcohol screening and brief intervention with alaska public health nursing. Poster presentation. Western Psychological Association. Portland, OR. April 2014.

**King D**, Belza B, Allen P, Brown D, Janicek S, Jones D, Marquez D, Rosenberg D. Safe, Affordable, Convenient: Environmental Features of Malls and Public Spaces Used by Older Adult Walkers. Poster presentation at the University of Washington Elder-Friendly Futures Conference, October 2014, Seattle, WA.

**King D**, Allen P, Jones D, Brown D, Marquez DX, Rosenberg D, Janicek S, Allen L, Belza B. Environmental Features of Shopping Malls and Other Public Spaces Used by Older Adults for Walking. Poster presentation at the UAA Faculty Research & Creative Activity Symposium March 30 – April 3, 2015.

**King D**, Hanson B, Porter R. Using Implementation Science to plan, evaluate and disseminate adoption of alcohol Screening and Brief Intervention within the Alaska Section of Public Health Nursing. Poster presentation at the UAA Faculty Research & Creative Activity Symposium March 30 – April 3, 2015.

Porter, R. R., Hanson, B. L., Faulkner, S. A., & **King, D. K.** "The intervention piece...that's still the hardest part of it all." Enhancing brief intervention skills among public health nurses. Poster presentation at the 12th annual meeting of the International Network on Brief Interventions for Alcohol & Other Drugs (INEBRIA), Atlanta, GA. September, 2015.

**King, D.K.**, Edwards, A., Barnett, J., Zold, A. An Upstream Approach to Address Alcohol & Substance Use: Integrating SBIRT in Health Professional Training Programs. Poster presentation, Society of Behavioral Medicine's Thirty-Eighth Annual Meeting and Scientific Sessions, San Diego, California. March 29-April 1, 2017.

**King, D.K.**, Allen, P., Jones, D., Marquez, D.X., Brown, D., Rosenberg, D., Janicek, S., Belza, B. Environmental Features of Shopping Malls and Other Public Spaces Used by Older Adults for Walking. Poster presentation, International Society of Behavioral Nutrition and Physical Activity, Victoria, B.C., June 7-10, 2017.

**King, D.K.**, Rawlins, S., Kelsey, B., Pierce-Bulger, M., Hanson, B. How health professional associations can become the standard-bearers for alcohol screening and brief intervention. Poster presentation at the 14th

annual meeting of the International Network on Brief Interventions for Alcohol & Other Drugs (INEBRIA), New York, NY. September, 2017.

**King, D.K.**, Helander, K., Schmidt, J., Saft, K. A Citizen Scientist approach to promote healthy aging among Lesbian Gay Bi-Sexual and Transgender (LGBT) Elders in Alaska. Poster presentation, 39th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, New Orleans, Louisiana, April 11-14, 2018.

Passini, J, Frazier, R and **King, D.** Quality improvement through data analysis: Overcoming challenges in SBIRT implementation. Poster presentation, American Public Health Association 2018 Annual Meeting & Expo San Diego, California. November 11, 2018.

### Teaching record

- 2005 Health Literacy Workshop: research applications. KPCO, Clinical Research Unit. 2005
- 2006 Guest Instructor, *Environment and Health*, Social Epidemiology, Health and Behavioral Sciences Department, University of Colorado Denver (Bryant)
- 2007 Colorado Physical Activity & Nutrition (COPAN). *Using RE-AIM to Evaluate Policy and Environmental Changes*.
- 2007 - 2009 Guest Instructor, *Social Capital in Research and Importance of Built Environment on Health and Quality of Life*. Theoretical Perspectives. Health and Behavioral Sciences Department, University of Colorado Denver (Bull)
- 2008 & 2009 Guest Instructor, *Built Environment and Older Adult Physical Activity*. Public Health and Aging (PRMD 6641). Preventive Medicine & Biometrics. University of Colorado Health Sciences Center (Bryant)
- 2008-2010 RE-AIM Workshop: Using RE-AIM for Planning and Evaluation of Community Health Initiatives. Delivered tailored versions of this workshop to a variety of audiences including: Steps to a Healthier Colorado grantees ( January, 2008); KPCO Institute for Health Research project managers (2008); LiveWell Colorado grantees (July, 2008; July 2010)
- 2009 *Measuring Usage of Outdoor Activity Environments: we built it, but did they come?* Colorado Physical Activity & Nutrition (COPAN), LiveWell Colorado, Quarterly Grantee Conference. July 16, 2009.
- 2009 *Grant Review Training*. LiveWell Colorado.
- 2010 Guest Instructor, *Neighborhood and Older Adult Physical Activity*. Public Health and Aging. Colorado School of Public Health. University of Colorado Denver. (Bryant)
- 2014 Co-Instructor, *Planning and Evaluating Behavioral Health Programs in Alaska Communities*. (PSY490/690; spring semester). University of Alaska Anchorage. (Hanson)

### Grant Support

#### Ongoing grants

- DD001143-04-02 (No cost extension) King, D. (PI) 9/30/14 – 9/29/19  
CDC/NCBDD  
Fetal Alcohol Spectrum Disorders Practice and Implementation Centers (PIC)  
Role: PI  
Goal: Promote awareness, knowledge, skills and behavior change of healthcare professionals to encourage adoption of evidence-based practices to prevent alcohol exposed pregnancies and FASDs.
- 5R01HL126125-02 Bender, B (PI) 7/1/16-6/30/18

NIH/NIAID

The Breathewell Program to Improve Asthma Outcomes

Role: Co-I, RE-AIM evaluator

Goal: To improve efficiency of adopting asthma care guidelines in managed care.

HL-17-001 (U01) Bender, B (PI)

7/1/17–6/30/23

NIH/NHLBI (subcontract from National Jewish Health, Denver, CO)

A Community Asthma Program on the Navajo Nation.

Role: Co-I, RE-AIM evaluator

Goal: Collaborate with the Navajo Nation to plan, implement, and evaluate the reach, effectiveness, and implementation, and maintenance of a multi-level Asthma Care Program, delivered through healthcare providers and school nurses.

2018-69001-27544 Bersamin, A. (PI)

4/1/18 – 2/28/23

USDA

Childhood Obesity Prevention Among Alaska Native Children

Role: Co-I

Goal: Promote healthy eating and physical activity in early childhood through Head Start and family-based interventions in the Yukon-Kuskokwim Delta Region of Alaska.

### **Completed Grants**

HI201500004-C1 Diane K. King (PI)

7/1/15-12/31/17

Mat-Su Health Foundation

Implementing SBIRT in the Mat-Su Borough

Role: PI

Goal: Study implementation of SBIRT in 3 primary care practices, within a defined community

Faculty Development Grant. King, D. (PI)

7/01/17–12/31/17

UAA Office of Academic Affairs.

Piloting a Citizen Scientist approach to promote healthy aging among Lesbian Gay Bi-Sexual and Transgender Elders in Alaska

Pilot the use of Citizen Science “Our Voice” methods with LGBT elders, to identify supports and obstacles to aging-in-place; share data with decision-makers and identify solutions to promote change; and contribute to the evidence-base for using Citizen Science methods to improve community health.

Role: PI

1U79T1025383-01 Diane K. King (PI)

9/1/13 - 8/31/17

SAMHSA

Arctic SBIRT Training

Role: PI

Goal: adapt and incorporate SBIRT curricula into nursing, psychology and social work courses in order to prepare future health professionals to prevent substance use disorders.

1U84DD000886-01 King, D. (PI)

9/30/11–9/29/15

CDC/NCBDD

Arctic Fetal Alcohol Spectrum Disorders Regional Training Center

Role: PI role transferred from Christiane Brems, effective July 1, 2012

Goal: Establish a regional training center to increase awareness, knowledge, and behavior change among medical and allied healthcare providers and students and disseminate education and FASD resources throughout the region.

5U84DD000886-02 King, D. (PI)

9/30/12–9/29/15

CDC/NCBDD

Arctic Fetal Alcohol Spectrum Disorders Regional Training Center – Supplemental Funding

Role: PI

Goal: Implement an Alcohol Screening and Brief Intervention into a Health System.

- 4743 King, D. (PI) 1/1/2013–12/31/14  
Alaska Mental Health Trust Authority  
Partnership: Promoting Health and Quality-of-Life through Adult Day Services: Enhance Mobility Program  
Role: PI  
Goal: Implement and evaluate reach, adoption, implementation and maintenance potential for an individualized small-group exercise program for adults with mild to moderate dementia, within Serendipity Adult Day Program in Anchorage, Alaska.
- 3 U48 DP001911-05S1 Basia Belza (PI) 9/30/13 – 9/30/14  
SIP 70 Identify and Evaluate Evidence and Practice- Based Mall Walking Program Resource Guide.  
Role: Consultant/Co-Investigator  
Goal: Increase information about the health benefits of walking and promotion of evidence-based mall walking programs for older adults.
- Faculty Development Grant. King, D. (PI) 1/01/14 – 6/30/14  
UAA Office of Academic Affairs.  
Identify and Evaluate Evidence and Practice- Based Mall Walking Program Resource Guide.  
Role: PI  
Goal: Increase information about the health benefits of walking and promotion of evidence-based mall walking programs for older adults through data collection in three settings within Alaska.
- 2 R01 DK035524-21 Diane K King (PI) 1/15/07-12/31/13  
NIH/NIDDK  
Linking Self-Management and Primary Care for Diabetes (Linkbase 2)  
Role: PI role transferred from Russell Glasgow, effective October 1, 2010  
Goal: to address the need for research on behavioral interventions that are capable of being translated into practice for lifestyle self-management of diabetes and other chronic illnesses.
- King, D. (PI) 9/01/12 – 8/31/13  
CDC/DHHS  
Arctic Fetal Alcohol Spectrum Disorders Conference Grant  
Role: PI  
Goal: Design and host a regional conference titled: *FASDs in the Arctic Region: An update on research and practice* to be held in spring of 2013 diverse stakeholders including health and social service professionals, educators, policy makers, and parents.
- Diane K King and Arne Beck (Co-PIs) 4/01/10-12/31/12  
CBIC, Kaiser Permanente Colorado  
Westerly Creek Park Garden and Playing Field Project  
Role: Co-PI  
Goal: To describe the process and impact of using a community-based approach to transform an urban public space, currently being cultivated by refugees and evaluate impact on food access and activity
- 1 RC2 AA019422-01 Dulin and Gonzalez (Co-PIs) 9/30/09– 06/30/12  
NIH/ National Institute on Alcohol Abuse and Alcoholism  
Location-Based Monitoring and Intervention for Alcohol Use Disorders (LBMI-A)  
Role: Project Manager  
Goal: To evaluate the feasibility and effectiveness of using GPS enabled smartphones to deliver an alcohol intervention to alcohol-dependent young adults.
- Diane K. King (PI) 06/01/10-05/31/11  
CCTSI, Partnership Development Grant.

Building partnerships to translate the Naturally Occurring Retirement Community (NORC) Model.  
Goal: *Form a multi-agency partnership* that includes research, service provider and community partners, to address Health and Social Service Gaps for the Gay, Lesbian, Bisexual and Transgender (GLBT) Senior Population residing in and around Capitol Hill neighborhood, Denver, Colorado.

- Debbi Main (PI) 07/01/10-3/01/11  
CBIC, Kaiser Permanente Colorado  
B-Cycle Evaluation (planning grant)  
Role: Co-Investigator  
Goal: Develop a long-term evaluation strategy for the Denver B-Cycle program.
- RO1 HL62156 Deborah Toobert (PI) 9/1/06-7/31/11  
NIH/NHLBI  
Enhancing Support for Women at Risk for Coronary Heart Disease (¡Viva Bien!)  
Role: Site PI/Co-Investigator  
Goal: Evaluate different approaches, including group support, to enhance change in and maintenance of multiple lifestyle behavior changes for Latina women.
- U01HL08707-01 Graham Colditz (PI) 11/1/06 – 6/30/11  
NIH/NHLBI  
Integrated Technologies for Weight and Blood Pressure Control in Urban Clinics.  
Role: Co-Investigator  
Goal: Address the role of the health care system and social context in the management of hypertension and weight loss among low income patients living in Boston.
- 1-R18-HS101123-01 Glasgow (PI) 7/1/99 – 9/30/05  
NIH/NIDDK  
A Patient Activation Approach to Improving Diabetes Care  
Role: Project Manager  
Goal: Evaluate behavioral and informational technology approaches to help patients and providers adhere to diabetes care guidelines.
- RO1 DK35524-15 Glasgow (PI) 1/1/01-12/31/06  
NIH/AHRQ  
Linking Self-Management and Primary Care for Diabetes (Linkbase 1)  
Role: Project Manager  
Goal: Address the need for research on behavioral interventions that are capable of being translated into practice for lifestyle self-management of diabetes and other chronic illnesses.
- #051597. King, DK (PI) 7/1/04-12/31/06  
Active Living Research/Robert Wood Johnson Foundation  
Individual and neighborhood effects on active lifestyles and social isolation in a sample of community-dwelling elderly: a socio-ecological study. *Dissertation Award.*  
Role: Principal Investigator  
Goal: Reveal neighborhood contextual factors that affect individual variation in physical activity engagement and social isolation.
- 1 R21 HL083866-01 Deborah Main (PI) 6/1/06-5/30/08  
NIH/NHLBI  
Decreasing CVD Disparities through the Built Environment  
Role: Co-Investigator  
Goal: Formalize a community-based participatory research process and conduct an observational study using community- and culturally relevant quantitative and qualitative methods; describe multi-level factors associated with use of Stapleton's built environment, physical activity and CVD risk.

## Bibliography
